MISSION

The mission of Westgate Heights Early Learning Centre (Westgate Heights) is to help meet the need in our community for affordable, quality daycare. At Westgate Heights, we believe that all children have the right to be cared for in a safe, loving and stimulating environment.

We believe that young children learn through play and exploration and so our classrooms are full of things to stimulate wonder and promote their abilities and interests. At Westgate Heights we respect the uniqueness of each child and work to plan programs and environments to ensure that all children are able to participate to their full potential.

We recognize that families are the primary caregivers in the life of a child and we aim to partner with parents to help children grow cognitively, physically, spiritually, socially, and emotionally. Our goal is to support families as they raise their children.
