Westgate Heights Early Learning Centre

Name of child: _____

Occasionally, we may take photographs / video of the children at the centre. We use these images to document learning, as part of our centre displays and sometimes in other printed publications. We may also use them on our website.

To comply with privacy laws, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, then sign and date the form where shown and return the completed form to the Westgate Office.

I grant permission for Westgate Heights Early Learning Centre to use reasonable photos/videos of my child in centre displays, promotional materials and on the Westgate Alliance Church's website.
